The Town’s recycling center will now only accept used tires from pickup trucks, cars or smaller. With this change there will also be a charge for these tires of \$5/tire regardless of the size. Correct change is required!

ELECTION INFORMATION

The next election is scheduled for November 6, 2018.

I will be available on October 27 from 9-12 and October 30 from 1:30-4 for absentee voting at the Town Hall. Other times by appointment only.

Please bring proof of residence and a picture ID with you if you choose to vote absentee. Contact Judy at 920-863-3370 for absentee voting information.

Voting Process

I ask that you all are respectful and considerate of the poll workers checking you in. There are certain steps and requirements dictated by the State that are LAW and cannot be side stepped or changed by the voters or the poll workers. You must present a **VALID** photo ID when signing the poll list. Complaining to and harassing of the poll workers will not change the process. Thank you all for your cooperation.

**Town Board availability**

We, on the board, also respectfully ask you all to be considerate of our time as well. Early morning and late evening phone calls are not necessary unless there is an emergency. We ask that you follow usual business hours but also with the extension into the evening is ok. Usually 8 a.m. until 8 p.m. We all work outside our Town jobs and will respond as soon as we can. Also, if possible, avoid any Sunday phone calls or visits. Thank You!
